CPSP 118G/218G Field Trip Sign Up Sheet

In the sheet below, please rank the field trips you wish to attend, with “1” as your first priority, and “2”, “3”, etc. for additional field trips you wish to attend. (NOTE: you don’t have to sign up for more than one trip: just put a “1” on the one you want, and leave the rest blank.) If we have more interests for some trips than spaces available, we will use the ranks to prioritize: however, we would like to accommodate everyone’s interests.

Likely costs and travel times are indicated, but are subject to change. Trips which do not have “Metro Ticket” as a cost will necessarily have a limit on the number of participants (seats in the vans/bus).

Please return on 9/11 (Freshmen) or 9/17 (Sophomores).
