

2011 AAPG Eastern Section Meeting

Hyatt Regency-Crystal City, Washington D.C. September 25 – 27, 2011

The Eastern Section invites you to its first Washington, DC meeting, a rare opportunity to sample the latest technology, see 300 years of history and make your voice heard in the Halls of Congress.

You will have a chance to take the pulse of the nation's policy makers at the energy policy forum and the All Convention Luncheon. It is also a great opportunity to arrange a visit to your Senator or Representative – the meeting is just a short metro or taxi ride from Capitol Hill.

Come early and bring your family to experience the Smithsonian museums, the national monuments, dozens of parks and great restaurants. Participate in Technical Sessions, Energy Policy Forum, Exhibits, Field Trips, Short Courses, Evening Entertainment, Student Job Quest and the Spouse/Guest Program.
