

MARGINOCEPHALIA

Ceratopsinae
 Long postorbital horns;
 Small nose horn;
 Longer shallower snouts;
 Long frills

Ceratopsidae
 Large size; Postorbital and nose horns;
 Shearing dental battery
 Enlarged frill

Neoceratopsia
 Enlarged skull; Obligate quadrupedality

Ceratopsia
 Frill

MARGINOCEPHALIA
 Rostral bone; Jugals form pointed "horns"

Centrosaurinae
 Short postorbital horns;
 Long nose horn;
 Short deep snouts;
 Short frills

Protoceratopsidae
 Short postorbital horns;
 Long nose horn;
 Short deep snouts;
 Short frills

Leptoceratopsidae

Psittacosauridae

Pachycephalosauria
 Thickened skull roof;
 Small ossifications along ridge of skull

Archaeoceratops

Ornithopoda

Neornithischia

Shelf of bone extending back over occipital region of skull
